During an interview on [The Clean Urine Stash](#) on March 26, 2023, Andrew implied that [Jamie Kraft](#), a friend who suffers from schizophrenia, had caused Bentley's death ([Video Link](#), Timestamp: 47:05). However, in 2025, Andrew's brother, Joe, confirmed during a livestream that Bentley had actually been put down due to age-related health issues, stating:

"I mean our dog Bentley, he died a while ago [...] yeah, he died, unfortunately, our dog, he got old, he couldn't walk anymore, so we had to let him go" ([Video Link](#), Timestamp: 4:40 / [Archive](#)).

"This car is easier to get underneath it, [inaudible] to reach underneath it without having to open the hood or anything" ([Video Link](#), Timestamp: 12:10 - 12:58).

2023 April 13 - Andrew chose to run away, claiming that Tom's cooking was causing him a sensory crisis ([Video Link](#)). **Later that night, Andrew called the police when Tom refused to give him his food stamps card** ([Video Link](#)).

2023 May 25 - Root DR. Thorne hosted a livestream discussing Andrew, titled *Andrew Ditch: Poopsquatch - Lolcow Lore* ([Video Link](#)). When describing Andrew's living environment, Root DR. Thorne said the following:

"Imagine this house. Decrepit, full of junk, nasty smells, rotting diapers everywhere, and they have it Google integrated so they can be like, 'turn the lights on Google,' 'broadcast this for me Google.' Like, holy fucking shit. Terrifying. That is the most post-apocalyptic disgusting, like, horrifying sci-fi shit I've ever honestly thought about" ([Video Link](#), Timestamp: 1:02:26).

2023 May 29 - Andrew uploaded a video in which he described having "a little sensory overload" while in the presence of a neighbor and her young children ([Video Link](#), Timestamp: 0:56).

Please note: This is the same neighbor whose children Andrew would later deny speaking with on December 2, 2023.

2023 June 20 - Andrew uploaded a video in which he walked to a house on Morgan Street, which he claimed belonged to the people who had called him a pedophile on June 18th ([Video Link](#), Timestamp: 10:00). 2023 June 22:

- Andrew informed his father, brother, and YouTube viewers that his dogs had ripped open a trash bag containing his soiled diapers ([Video Link](#)). He later revealed this to be a prank, clarifying that the bag did not contain poop diapers, but only urine-saturated diapers and “poop wipes” ([Video Link](#)).

2023 June 24 - Andrew was on The Clean Urine Stash livestream Krissy Parfait VS charlie sheen/Heather Inman off meds/Andy lays down the gauntlet ([Video Link](#)).

2023 June 27 - Jan was found unresponsive and taken to Kenmore Mercy Hospital (KMH). When Andrew was brought to KMH to see her, he had a head-banging tantrum and ran from the building ([Video Link](#)).

Please note: According to Andrew, the reason he had a tantrum was because a fire alarm went off ([Video Link](#), Timestamp: 15:48). However, this is unlikely. In a later video, Joe can be heard telling 911 that Andrew had been blacklisted from returning to the hospital, with no mention of a fire alarm ([Video Link](#), Timestamp: 9:20).

2023 June 28 - Police were called to the Ditch residence after Andrew had a head-banging tantrum ([Video Link](#), Timestamp: 7:15). He was taken to KMH by ambulance but left shortly after arriving.

2023 July 2 - When Andrew arrived at KMH to visit his mother, hospital security informed him that he could only see her under supervision, and that visits could last no longer than 15 minutes ([Video Link](#)). Andrew responded by running from the hospital.

Please note: In the recording, the hospital security officer states that Andrew “beat his mom in the hospital” ([Video Link](#), Timestamp: 6:02). However, this may have been a miscommunication between hospital staff and security, as neither Joe nor Tom seems to know what incident the security officer is referring to.

2023 July 8 - Andrew claimed that Tom abused him by not helping him cook a meal, pushing him, and shoving him to the floor ([Video Link](#)). Andrew then took Tom’s card and ran away ([Video Link](#)). While away, Andrew had an incident in a Burger King bathroom, where he “exploded the toilet” and had “poop going down his leg” ([Video Link](#), Timestamp: 39:00).

2023 July 10 - Andrew informed his viewers that Jan had been moved to a nursing home that prohibited him from bringing recording devices or items that could conceal them, such as his weighted bear ([Video Link](#), Timestamp: 3:56). Instead of leaving these items in the car, Andrew chose not to visit his mother, claiming they were “medical devices” and that the facility had discriminated against him ([Video Link](#), Timestamp: 5:35).

2023 July 11 - Andrew thanked [The Clean Urine Stash](#) for sending flowers to his mother. He then announced that he had thrown out his diapers and medications ([Video Link](#)).

2023 August 3 - Someone in a passing car shouted, “You’re a pedophile!” as Andrew stood on the sidewalk ([Video Link](#)).

2023 August 10 - Andrew recorded a video in which he admitted to several things regarding his use of ABDL diapers:

- Andrew bought a sample pack of ABDL *Peekabu* brand diapers, which he then showed to his mailman, Bob ([Video Link](#), Timestamp: 4:27).
- Andrew recounted a time when one of his Adult Protective Services (APS) workers, Milani, contacted Juice, his then-advocate, and asked if she was aware that the type of diapers Andrew wears “are meant for pleasure” not for incontinence ([Video Link](#), Timestamp: 6:14).
- Andrew stated he liked “the Crinklz print, especially the astronaut one” ([Video Link](#), Timestamp: 14:25).

2023 August 12 - During a livestream, Andrew repeatedly disappeared from view and reappeared under his alternate YouTube account, Devilslifehell, to argue with the chat. At one point, Devilslifehell made the seemingly random comment, “You may have a flat” ([Video Link](#), Timestamp: 17:42), a statement that would prove significant later.

Please note: Although Andrew denied owning the account Devilslifehell, there was clear evidence that he did (Video Links: [1](#), [2](#) / Archive: [1](#), [2](#)).

2023 September 4 - Tom's vehicle had a tire blowout while driving ([Video Link](#)). It is highly probable that Andrew tampered with the tire before it exploded.

- Less than ten minutes before the tire exploded, Andrew spoke to Tom about the vehicle's tires, stating, “Just because you think I hate you doesn't mean I went to put, uh, take out air of your car tires” ([Video Link](#), Timestamp: 6:16).
- Andrew reacted to the tire exploding in an over-the-top, theatrical way, sobbing and howling with fear ([Video Link](#), Timestamp: 1:24). Moments later, he was barely able to hide his laughter ([Video Link](#), Timestamp: 2:33).
- On August 12th, Andrew made suspicious statements about “having a flat” on his alternate YouTube account, Devilslifehell ([Video Link](#), Timestamp: 17:42).

- Evening - Andrew was on [The Cow Wrangla](#) livestream ([Video Link](#)).

2023 September 8 - Andrew chose to stop wearing diapers and ran away from home

([Video Link](#)). He stated that his reason for doing this was because he was frustrated with Tom and because Tom shamed him for ordering four McDoubles the day before ([Video Link](#), Timestamp: 6:41).

2023 September 11 - Andrew claimed that his dog, Tucker, had eaten his poop. He stated the following:

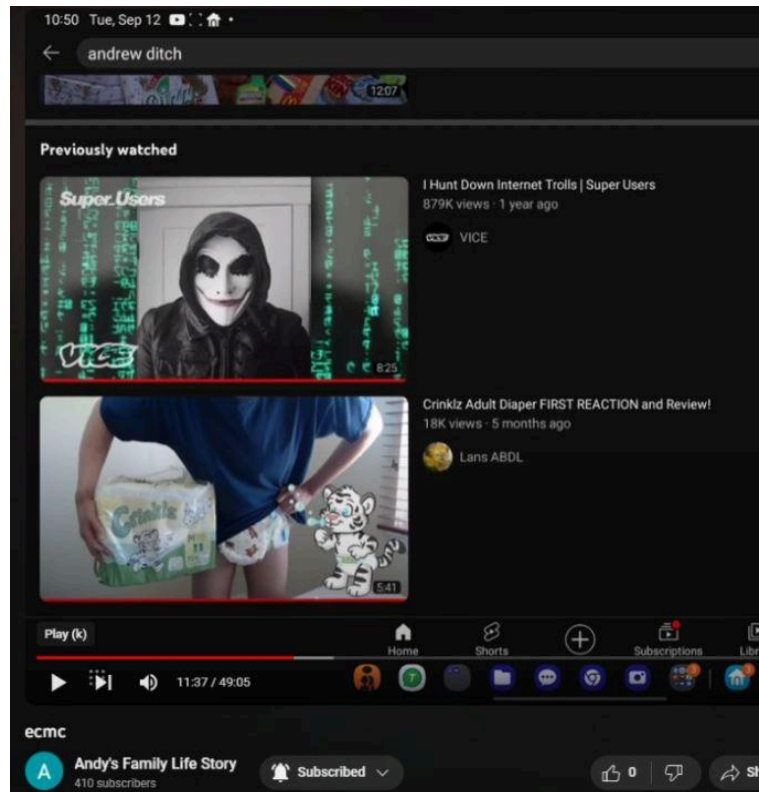

"When my dog started eating the poop that I had that started having come out of my butt that fell on the floor [...] was extremely disgusting and I don't want Tucker doing that" ([Video Link](#), Timestamp: 18:40).

2023 September 15 - Andrew created a YouTube channel titled [Andrew Ditch: The Poopsquatch \(The Original\)](#).

This channel featured diaper fetish material from the YouTube channel Lans ABDL, along with a reupload of the horror film [Rupert](#), which tells the story of a man with a diaper fetish who forces captive women to change his diapers. Andrew credited Joe as the primary force behind the creation of this channel, stating that it was Joe, not himself, who found these diaper-centric videos ([Video Link](#)).

Please note:

1) *It is highly unlikely that Joe found these videos for Andrew, as a Lans ABDL YouTube video was marked as "previously watched" by Andrew in a screen recording from just three days earlier, on September 12, 2023 ([Video Link](#), Timestamp: 11:36 / [Screenshot](#)).*

2) The URL of Andrew's channel, @Poopsquatch-TheOriginal, was misspelled.
